NBP Fullerton Asset Management Limited (NAFA) claims compliance with the Global Investment Performance Standards (GIPS®) and has prepared and presented this report in compliance with the GIPS Standards. NAFA has not been independently verified.

Definition of Firm

NAFA is a Non-Banking Finance Company with a license to perform Asset Management Services as per the NBFC Rules, 2003. NAFA is a subsidiary of National Bank of Pakistan; the other main sponsor is Alexandra Fund Management Pte. Ltd., (a member of Fullerton Fund Management Group, Singapore, which in-turn is a wholly owned subsidiary of Temasek Holdings, Singapore.). NAFA's main area of business is Investment Management; more specifically floating and managing mutual funds, providing investment advisory and discretionary portfolio management services.

NOTES

1. This composite was created on October 24, 2012. The inception date of the composite is June 01, 2009. Presently NAFA Government Securities Liquid Fund and NAFA Money Market Fund comprise this composite.
2. Authorized investments of the Money Market Composite include AAA rated Government Securities; AA and above rated bank deposits, money market placements and commercial papers with remaining maturity of less than six months. The weighted average maturity of portfolios in this composite cannot exceed ninety days. No direct or indirect exposure to

Disclaimer: This publication is for informational purposes only and nothing herein should be construed as a solicitation, recommendation or an offer to buy or sell any fund. All investments in mutual funds are subject to market risks. The NAV based prices of units and any dividends/returns thereon are dependant on forces and factors affecting the capital markets. These may go up or down based on market conditions. Past performance is not necessarily indicative of future results.

equities and corporate bonds is allowed. In some of the portfolios in the composite investment guidelines allow zero to hundred percent between Government Securities and private enterprise placements. However, in these portfolios allocation in short-term T-Bills is maintained at 75% on average. The minimum size of portfolio for inclusion in the composite is PKR 5 million.

3. The benchmark is 50% 3-Months T-Bills Rate and 50% three months term deposit rate of AA and above rated banks. The performance of the benchmark is based on gross returns and therefore not adjusted for any expenses or fees.
4. Policies regarding portfolio valuation, return calculation and compliant presentations are available upon request.
5. The three-year annualized standard deviation measures the variability of the composite and the benchmark returns over the preceding 36 months.
6. Complete list of composite descriptions is available upon request.
7. All portfolios in the composite follow International Accounting Standards (IASs), International Financial Reporting Standards (IFRS), NBFC Rules 2003, NBFC & NE Regulations 2008 and directives issued and enforced by SECP from time to time.
8. Composite dispersion is not mentioned as the number of portfolios in the composite is less than five.
9. The earnings of mutual funds in the composite are exempt from income taxes as per applicable tax law covered in Clause 99 of Part I of the second schedule to the Income Tax Ordinance 2001. Similarly mutual funds are exempt from with-holding taxes under the various sections of Income Tax Ordinance 2001.
10. The reported returns of the portfolios in the composite are net of fees and all other expenses including sales tax on management fee, WWF provisioning and transactions expenses. In addition to the investment management fee, there are other fees that include the Trustee, SECP, Rating and Listing fees. The management fee on the portfolios in the composite is in range of 1% to 1.25% p.a.

¹ This composite report is uploaded on Firm website on April 8, 2014 . Due to change in calculation methodology the return and standard deviation of benchmark have been revised. Previously the said information uploaded on July 15, 2013 exhibited the following:-

NBP Fullerton Asset Management Limited (NAFA) claims compliance with the Global Investment Performance Standards (GIPS®) and has prepared and presented this report in compliance with the GIPS Standards. NAFA has not been independently verified.

Definition of Firm

NAFA is a Non-Banking Finance Company with a license to perform Asset Management Services as per the NBFC Rules, 2003. NAFA is a subsidiary of National Bank of Pakistan; the other main sponsor is Alexandra Fund Management Pte. Ltd., (a member of Fullerton Fund Management Group, Singapore, which in-turn is a wholly owned subsidiary of Temasek Holdings, Singapore). NAFA's main area of business is Investment Management; more specifically floating and managing mutual funds, providing investment advisory and discretionary portfolio management services.

NOTES

1. This composite was created on October 24, 2012. The inception date of the composite is December 1, 2009. Presently eight discretionary portfolios and two mutual funds (NAFA Savings Plus Fund and NAFA Financial Sector Income Fund) comprise this composite.
2. Authorized investments of the High Grade Income Composite include corporate bonds (rated AA- and above), Government Securities (short-term T-Bills and Government bonds), bank deposits (A and above rated), money market placements (AA- and above rated), commercial papers (AA- and above rated) and Margin Trading System (financing for shares). The investment guidelines of the composite mandate a certain minimum allocation in cash and near cash instruments. The portfolios primarily hold short-term T-Bills, money market investments and corporate bonds. The minimum size of portfolio for inclusion in the composite is PKR 5 million.

Disclaimer: This publication is for informational purposes only and nothing herein should be construed as a solicitation, recommendation or an offer to buy or sell any fund. All investments in mutual funds are subject to market risks. The NAV based prices of units and any dividends/returns thereon are dependant on forces and factors affecting the capital markets. These may go up or down based on market conditions. Past performance is not necessarily indicative of future results.

3. The benchmark is 3-Months KIBOR. The performance of the benchmark is based on gross returns and therefore not adjusted for any expenses or fees.
4. Policies regarding portfolio valuation, return calculation and compliant presentations are available upon request.
5. The three-year annualized standard deviation for each reported period measures the variability of the composite and the benchmark returns over the preceding 36 months.
6. Complete list of composite descriptions is available upon request.
7. All portfolios in the composite follow International Accounting Standards (IASs), International Financial Reporting Standards (IFRS), NBFC Rules 2003, NBFC & NE Regulations 2008 and directives issued and enforced by SECP from time to time.
8. Composite dispersion is based on High-Low range.
9. The earnings of mutual funds in the composite are exempt from income taxes as per applicable tax law covered in Clause 99 of Part I of the second schedule to the Income Tax Ordinance 2001. Similarly mutual funds are exempt from with-holding taxes under the various sections of Income Tax Ordinance 2001. For non mutual fund portfolios, the applicability of with-holding taxes on any income, dividends, interest income and capital gains depends on clients' status.
10. The reported returns are net of fees and all other expenses including sales tax on management fee, WWF provisioning and transactions expenses. In addition to the investment management fee, there are other fees that include Trustee, SECP, Rating and Listing fees. The management fee on the portfolios in the composite is up to 1.5% p.a. Some portfolios are only charged performance based fee with fixed component and / or variable component.

NBP Fullerton Asset Management Limited (NAFA) claims compliance with the Global Investment Performance Standards (GIPS®) and has prepared and presented this report in compliance with the GIPS Standards. NAFA has not been independently verified.

Definition of Firm

NAFA is a Non-Banking Finance Company with a license to perform Asset Management Services as per the NBFC Rules, 2003. NAFA is a subsidiary of National Bank of Pakistan; the other main sponsor is Alexandra Fund Management Pte. Ltd., (a member of Fullerton Fund Management Group, Singapore, which in-turn is a wholly owned subsidiary of Temasek Holdings, Singapore.). NAFA's main area of business is Investment Management; more specifically floating and managing mutual funds, providing investment advisory and discretionary portfolio management services.

NOTES

1. This composite was created on October 24, 2012. The inception date of the composite is February 1, 2010. Presently seventeen discretionary portfolios comprise this composite.
2. Authorized investments of the Capital Protected Composite include low risk assets (Cash/ T-Bills/ very low risk money market/ income funds rated AA- and above) and high risk assets (highly liquid shares in KSE 100 index/KMI 30 Index/ Equity and Equity related mutual funds). The investment objective of the strategy is to benefit from the upside of the market alongwith capital protection. The degree of capital protection varies at the choice of the investor. The minimum size of portfolio in the composite is PKR 1 million.

3. The benchmark is 6-Months KIBOR. The performance of the benchmark is based on gross returns and therefore not adjusted for any expenses or fees.
4. Policies regarding portfolio valuation, return calculation and compliant presentations are available upon request.
5. The three-year annualized standard deviation for each reported period measures the variability of the composite and the benchmark returns over the preceding 36 months.
6. Complete list of composite descriptions is available upon request.
7. All portfolios in the composite follow International Accounting Standards (IASs), International Financial Reporting Standards (IFRS), NBFC Rules 2003, NBFC & NE Regulations 2008 and directives issued and enforced by SECP from time to time.
8. Composite dispersion is based on High-Low range.
9. The earnings of mutual funds in the composite are exempt from income taxes as per applicable tax law covered in Clause 99 of Part I of the second schedule to the Income Tax Ordinance 2001. Similarly mutual funds are exempt from with-holding taxes under the various sections of Income Tax Ordinance 2001. For non-mutual fund based portfolios, the applicability of with-holding taxes on any income, dividends, interest income and capital gains depends on clients' tax status.
10. The management fee on the portfolios in the composite may range from 60 bps to 2% p.a. where direct investments in risk free assets and equities are made. For other portfolios in this composite where authorized investments are mutual funds, the fee of underlying mutual funds is charged, which ranges from 1% to 2% presently. The other expenses and fees applicable in mutual funds include sales tax on management fee, WWF provisioning, transaction /trading expenses, Trustee, SECP, Rating and Listing fees.

NOTES

1. This composite was created on October 24, 2012. The inception date of the composite is November 01, 2007. Presently only NAFA Islamic Multi Asset Fund comprises this composite.
2. Authorized investments of the Islamic Multi Asset Composite include Shariah Compliant listed equities, corporate sukuks (Islamic corporate bonds), Shariah Compliant Government Securities, Shariah compliant bank deposits, Shariah Compliant money market placements, and other Shariah Compliant avenues. The minimum size of portfolio in the composite is PKR 5 million.

Disclaimer: This publication is for informational purposes only and nothing herein should be construed as a solicitation, recommendation or an offer to buy or sell any fund. All investments in mutual funds are subject to market risks. The NAV based prices of units and any dividends/returns thereon are dependant on forces and factors affecting the capital markets. These may go up or down based on market conditions. Past performance is not necessarily indicative of future results.

- 3 The benchmark is 50% KMI Index and 50% 3-Months KIBOR. The performance of the benchmark is based on gross returns and therefore not adjusted for any expenses or fees.
- 4 Policies regarding portfolio valuation, return calculation and compliant presentations are available upon request.
- 5 The three-year annualized standard deviation for each reported period measures the variability of the composite and the benchmark returns over the preceding 36 months.
- 6 Complete list of composite descriptions is available upon request.
- 7 All portfolios in the composite follow International Accounting Standards (IASs), International Financial Reporting Standards (IFRS), NBFC Rules 2003, NBFC & NE Regulations 2008 and directives issued and enforced by SECP from time to time.
- 8 Composite dispersion is not mentioned as the number of portfolios in the composite is less than five.
- 9 The earnings of mutual funds in the composite are exempt from income taxes as per applicable tax law covered in Clause 99 of Part I of the second schedule to the Income Tax Ordinance 2001. Similarly mutual funds are exempt from with-holding taxes under the various sections of Income Tax Ordinance 2001.
- 10 The reported returns are net of fees and all other expenses including sales tax on management fee, WWF provisioning and transactions expenses. In addition to the investment management fee, there are other fees that include Trustee, SECP, Rating and listing fees. The management fee of the portfolio in the composite is 2% p.a.

¹ This composite report is uploaded on Firm website on April 8, 2014. Due to change in calculation methodology the return and standard deviation of benchmark have been revised. Previously the said information uploaded on July 15, 2013 exhibited the following:-

NBP Fullerton Asset Management Limited (NAFA) claims compliance with the Global Investment Performance Standards (GIPS®) and has prepared and presented this report in compliance with the GIPS Standards. NAFA has not been independently verified.

Definition of Firm

NAFA is a Non-Banking Finance Company with a license to perform Asset Management Services as per the NBFC Rules, 2003. NAFA is a subsidiary of National Bank of Pakistan; the other main sponsor is Alexandra Fund Management Pte. Ltd., (a member of Fullerton Fund Management Group, Singapore, which in-turn is a wholly owned subsidiary of Temasek Holdings, Singapore.). NAFA's main area of business is Investment Management; more specifically floating and managing mutual funds, providing investment advisory and discretionary portfolio management services.

NOTES

1. This composite was created on October 24, 2012. The inception date of the composite is February 01, 2007. Presently NAFA Stock Fund and two discretionary equity portfolios comprise this composite.
2. Authorized investments of the Equity Composite include listed equities, cash and less than 90 days T-Bills. Minimum Equity allocation is typically 70%. The minimum size of portfolio for inclusion in the composite is PKR 5 million.

3. The benchmark is KSE 100. The performance of the benchmark is based on gross returns and therefore not adjusted for any expenses or fees.
4. Policies regarding portfolio valuation, return calculation and compliant presentations are available upon request.
5. The three-year annualized standard deviation for each reported period measures the variability of the composite and the benchmark returns over the preceding 36 months.
6. Complete list of composite descriptions is available upon request.
7. All portfolios in the composite follow International Accounting Standards (IASs), International Financial Reporting Standards (IFRS), NBFC Rules 2003, NBFC & NE Regulations 2008 and directives issued and enforced by SECP from time to time.
8. Composite dispersion is not mentioned as the number of portfolios in the composite is less than five.
9. The earnings of mutual funds in the composite are exempt from income taxes as per applicable tax law covered in Clause 99 of Part I of the second schedule to the Income Tax Ordinance 2001. Similarly mutual funds are exempt from with-holding taxes under the various sections of Income Tax Ordinance 2001. For non mutual fund portfolios, the applicability of with-holding taxes on any income, dividends, interest income and capital gains depends on clients' status.
10. The reported returns are net of fees and all other expenses including sales tax on management fee, WWF provisioning and transactions expenses. In addition to the investment management fee, there are other fees that include Trustee, SECP, Rating and Listing fees. The management fee on the portfolios in the composite is up to 2.0% p.a. Some portfolios are only charged performance based fee with fixed component that is capped at 0.60% p.a.
