## Investment Objective

The objective of the Fund is to provide investors an opportunity to earn attractive return from an actively managed portfolio of Shari'ah Compliant Equity Fund and Income Fund.

## Fund Manager's Commentary

NAFA launched its NAFA Islamic Active Allocation Plan-II (NIAAP-II) in March 2016 which is the second plan under NAFA Islamic Active Allocation Fund-I. The Active Allocation Plan will be dynamically managed between dedicated equity related and Income schemes managed by NAFA based on the Fund Manager's outlook of the authorized asset-classes. The Plan is presently closed for new subscription. NIAAP-II has an initial maturity of two years.

Since inception, NIAAP- II has generated a return of 5.5% versus 6.7% return of the Benchmark. The current exposure in Equity Fund and Income Fund stands at 65.1% & 30.7% respectively. The Plan can invest up to 100% in equity funds. We are confident that the Plan will generate good returns considering the improved macroeconomic and political outlook and dynamic equity allocation mechanism of the Fund.
