## Investment Objective

To provide stable income stream with preservation of capital by investing in AA and above rated banks and money market instruments.

## Fund Manager Commentary

The Fund earned an annualized return of 8.2% during February 2014 versus the benchmark return of 7.2%, thus registering an outperformance of 1.0% p.a. Since the launch of the Fund in February 2012, the Fund has outperformed its benchmark by 2.1% p.a. by earning an annualized return of 9.0%. This outperformance is net of management fee and all other expenses.

Being a money market scheme, the Fund has very restrictive investment guidelines. The authorized investments of the Fund include T-Bills, Bank Deposits and Money Market instruments. Minimum eligible rating is AA, while the Fund is not allowed to invest in any security exceeding six months maturity. The weighted average time to maturity of the Fund cannot exceed 90 days. The Fund is rated AA(f) by PACRA which denotes a very strong capacity to maintain relative stability in returns and very low exposure to risks.

The allocation of the Fund in Treasury Bills is around 64% at month-end. The weighted average time to maturity of the Fund is 38 days. We are deploying our funds in slightly longer maturities to take full advantage of upward movement in the yield curve. We are monitoring the capital market expectations and will rebalance the portfolio accordingly.
