Investment Objective

To provide preservation of capital and earn a reasonable rate of return along with a high degree of liquidity by investing in short-term Shariah compliant banks and money market / debt securities.

Fund Manager Commentary

The Fund generated an annualized return of 8.0% for the month of December 2013 versus the benchmark return of 6.7% thus registering an outperformance of 1.3% p.a. During the last one year the Fund has outperformed its benchmark by 1.0% by earning an annualized return of 7.8%. This outperformance is net of management fee and all other expenses.

The Fund aims to consistently provide better return than the profit rates offered by Islamic Banks / Islamic windows of commercial banks, while also providing easy liquidity along with a high quality credit profile. The Fund is allowed to invest in short-term Shariah compliant money market securities of up to six months maturity rated AA- or better. The Fund is not authorized to invest in debt securities and the Equities. With stability rating of AA-(f), NRFSF is amongst the highest rated Islamic Income Funds in the market.

The allocation of the Fund is around 14% in GoP Ijarah Sukuks, which are floating rate instruments with 6-months coupon re-setting. Around 85% of the portfolio is invested in bank deposits which further enhance liquidity profile of the Fund.

The weighted average duration of the Fund is 20 days and the weighted average time to maturity is 55 days. The Fund is invested in floating rate securities. Therefore, the return on the Fund will improve with increase in interest rates. We will rebalance the portfolio based on the economic and market conditions.
