## Investment Objective

The objective of the Fund is to provide investors an opportunity to earn attractive return from an actively managed portfolio of Shari'ah Compliant Equity Fund and Income Fund.

## Fund Manager's Commentary

NAFA launched its NAFA Islamic Active Allocation Plan-IV (NIAAP-IV) in September, 2016 which is the fourth plan under NAFA Islamic Active Allocation Fund-I. The Active Allocation Plan is dynamically managed between dedicated equity related and Income schemes managed by NAFA based on the Fund Manager's outlook of the authorized asset-classes. The Plan is presently closed for new subscription. NIAAP-IV has an initial maturity of two years.

Since inception, NIAAP-IV has generated a cumulative return of 12.2% versus benchmark return of 10.7%. The current exposure in Equity Fund and Income Fund stands at 83.1% & 9.0% respectively. The Plan can invest up to 95% in equity funds. We are confident that the Plan will generate good returns considering the improved macroeconomic and political outlook and dynamic equity allocation mechanism of the Fund.

## Asset Allocation (% of Total Assets) 30-June-17 31-May-17
