Fund Manager's Commentary

NAFA launched its second Islamic capital protected fund namely NAFA Islamic Principal Protected Fund (NIPPF-II) on 27th June, 2014. The aim of the Fund is to provide growth to the investment of unit holders over the long-term in approved Shariah compliant equities and money market instruments while protecting initial investment value at the Initial Maturity date, which is two years from its launch date.

Since inception, NIPPF- II has generated a return of 3.7% versus 2.4% return of the Benchmark. The current equity exposure stands at around 42%. Key holdings of the Fund belong to Oil and Gas, Construction and Materials, and Electricity sectors. The Fund can invest up to 100% in equities. We are confident that the Fund will generate good returns once the political situation settles, considering the positive outlook of the market and built in dynamic equity allocation mechanism of the Fund.
